

Rio Dell Scotia Chamber of Commerce

August 6, 2021 Minutes

There was no meeting in August due to the scheduled time falling during Wildwood Days with other projects taking place but by email two motions were passed. Nick Angeloff moved, and Tracy O'Connell seconded, to reimburse Jim Brickley for up to \$150 for materials to produce the chamber's Wildwood Days float and to contribute \$250 to the fire department's GoFundMe effort to pay for the Wildwood Days fireworks show.

Respectfully submitted,

Tracy O'Connell, Secretary
