

Rio Dell-Scotia Chamber of Commerce

Board Meeting Minutes June 6, 2025

Present: Board members Susan Pryor, Gabe Smith and Tracy O'Connell; community members Julie Woodall, Mavis Amen, Aundrea Vaughn, and Wally Coppini.

There was no quorum so no formal business was decided but topics discussed included upcoming Wildwood Days events, whether it would be better to move chamber board meetings to a weeknight in a larger place like the Resource Center or the Scotia fire hall to get a larger turnout, and the refurbishment of the historical kiosk in Scotia. Susan said her research showed that metal-plated photos would hold up best in the sun inside a kiosk. She will check with the Scotia Community Services District to see if it would be willing to take over the management of the kiosk going forward.

The meeting was adjourned at 12:41 p.m.

Respectfully submitted,

Tracy O'Connell, secretary
